Dear FCC:

I am 100% in favor of this merger

I as a consumer WILL benefit...

I cannot understand what is taking so long on this...

Xm and SIRIUS are under attack by the NAB, HD radio, IPODS, phones, Mp3  
players, the 700mhz band and all other mediums that keep popping up...

Please allow the merger so I as the consumer have the choice of what I  
want to listen to.

Sincerely,

Jeff Gravitter
