Dear FCC:

I support the sirius xm merger and urge you to approve this merger. I have sirius in my car (factory installed) and in my truck(aftermarket). I love it and don't want to listen to commercial radio ever again. I hear such great music, stuff I would have never known existed on old radio. Plus I don't have to cope with all that yacking and commercials that is a constant on conventional radio. Please approve this merger today. Thank you

Sincerely,

Jim Harkins
