Re: Re: WC Docket No. 06-74, In the Matter of AT&T Inc. and BellSouth Corporation  
Application for Transfer of Control – ADSL Service

Dear Ms. Dortch:

In accordance with the voluntary commitments set forth in Appendix F of the Commission's Memorandum Opinion and Order in WC Docket No. 06-74, In the Matter of AT&T Inc. and BellSouth Corporation Application for Transfer of Control ("AT&T/BellSouth Merger Order"), attached please find AT&T's certification that it has deployed and now offers to at least eighty percent of customers capable of receiving AT&T ADSL service in each state, without requiring such customers to also purchase circuit switched voice grade telephone service.

If you have any questions regarding the attached, please contact me at (202) 457-3032.

Sincerely,

WC Docket No. 06-74  
AT&T/BellSouth Merger Order - Appendix F- Conditions  
ADSL Service

Certification of Implementation

1. My name is Carol Tacker. I am Senior Vice President-Compliance for AT&T Inc, ("AT&T"). I am employed by AT&T Services, Inc. and am authorized to provide this certification on behalf of AT&T.

2. In accordance with the first paragraph of the "ADSL Service" commitment set forth in Appendix F of the FCC's order approving the AT&T/BellSouth merger, I hereby certify that, on December 19, 2007, AT&T deployed and offered an ADSL service to ADSL-capable customers in the former BellSouth in-region territory which does not require such customers to also purchase circuit switched voice grade telephone service. As of December 19, 2007, the service was available, in each of the nine former BellSouth states, to at least eighty percent of the ADSL-capable premises in AT&T's in-region territory in that state. Accordingly, the "Implementation Date" for the commitment in each of the former BellSouth states was December 19, 2007.

3. I declare under penalty of perjury that the foregoing is true and correct.

Executed this 2nd day of January 2008.
