NOTICE OF PROPOSED RULEMAKING

Adopted: December 19, 2007

Released: December 21, 2007

Comments Date: February 11, 2008

Reply Comments Date: February 26, 2008

By the Assistant Chief, Audio Division, Media Bureau:

1. The Audio Division has before it a petition for rule making filed by George S. Flinn, Jr. ("Petitioner"), applicant of Channel 267A at Linden, Tennessee, requesting the allotment of Channel 267A at Linden, Tennessee to prevent removal of Linden's first potential local service.¹ In this regard, Petitioner simultaneously filed a community of license hybrid application, proposing the substitution of Channel 264C3 for Channel 267A at Linden, Tennessee, reallocation of Channel 264C3 from Linden, Tennessee to Waynesboro, Tennessee, as its first local service, and modification of its authorization.² Additionally, Petitioner proposes the involuntary channel substitution of Station WYDL(FM) from Channel 264C3 to Channel 262C3 at Middleton, Tennessee, and modification of the Station WYDL(FM) license to accommodate the proposed Waynesboro reallocation.³

2. A staff engineering analysis indicates that Channel 267A can be allotted to Linden consistent with the minimum distance separation requirements of the Commission's Rules (the "Rules") at the community at reference coordinates 35-39-45 NL and 87-44-25 WL, located 10.1 kilometers (6.3 miles) northeast of Linden.

3. The Petitioner's proposal warrants consideration because it could prevent removal of Linden's first potential local service. Therefore, we will solicit comments on the proposed amendment to the FM Table of Allotments, Section 73.202(b) of the Rules, with respect to Linden, Tennessee:

¹ To avoid a short-spacing with the proposed Channel 264C3 reallocation to Waynesboro, the Petitioner proposes a new Channel 267A at Linden at a different site. The new allotment will be subject to auction. The Petitioner contemporaneously filed a FCC Form 301 application for the proposed allotment of Channel 267A at Linden, Tennessee. See File No. BNPH-20070502ACN.

² See File No. BNPH-20070502AFM.

³ We issued a show cause order directed at Flinn Broadcasting Corporation, licensee of Station WYDL(FM), affording the licensee 30 days to respond to the proposed modifications for this station's license. See Letter from Rodolfo F. Bonacci, Assistant Chief, Audio Division, Media Bureau, to Flinn Broadcasting Corporation, WYDL(FM), Middleton, Tennessee (June 22, 2007)

7. The Commission has determined that the relevant provisions of the Regulatory Flexibility Act of 1980 do not apply to a rule making proceeding to amend the FM Table of Allotments, Section 73.202(b) of the Commission's Rules.⁴ This document does not contain new or modified information collection requirements subject to the Paperwork Reduction Act of 1995 (PRA), Public Law 104-13. In addition, therefore, it does not contain any new or modified "information collection burden for small business concerns with fewer than 25 employees," pursuant to the Small Business Paperwork Relief Act of 2002, Public Law 107-198, *see* 44 U.S.C. 3506(c)(4).

8. For further information concerning this proceeding, contact Rolanda F. Smith, (202) 418-2054. For purposes of this restricted notice and comment rule making proceeding, members of the public are advised that no *ex parte* presentations are permitted from the time the Commission adopts a *Notice of Proposed Rule Making* until the proceeding has been decided and such decision is no longer subject to reconsideration by the Commission or review by any court. An *ex parte* presentation is not prohibited if specifically requested by the Commission or staff for the clarification or adduction of evidence or resolution of issues in the proceeding. However, any new written information elicited from such a request or a summary of any new oral information shall be served by the person making the presentation upon the other parties to the proceeding unless the Commission specifically waives this service requirement. Any comment which has not been served on the petitioners constitutes an *ex parte* presentation and shall not be considered in the proceeding. Any reply comment which has not been served on the person(s) who filed the comment, to which the reply is directed, constitutes an *ex parte* presentation and shall not be considered in the proceeding.

APPENDIX

1. Pursuant to authority found in Sections 4(i), 5(c)(1), 303(g) and (r), and 307(b) of the Communications Act of 1934, as amended, and Sections 0.61, 0.204(b) and 0.283 of the Commission's Rules, IT IS PROPOSED TO AMEND the FM Table of Allotments, Section 73.202(b) of the Commission's Rules and Regulations, as set forth in the *Notice of Proposed Rule Making* to which this *Appendix* is attached.

2. Showings Required. Comments are invited on the proposal(s) discussed in the *Notice of Proposed Rule Making* to which this *Appendix* is attached. Proponent(s) will be expected to answer whatever questions are presented in initial comments. The proponent of a proposed allotment is also expected to file comments even if it only resubmits or incorporates by reference its former pleadings. It should also restate its present intention to apply for the channel if it is allotted and, if authorized, to build a station promptly. Failure to file may lead to denial of the request.

3. Cut-off protection. The following procedures will govern the consideration of filings in this proceeding.

(a) Counterproposals advanced in this proceeding itself will be considered, if advanced in initial comments, so that parties may comment on them in reply comments. They will not be considered if advanced in reply comments. (See Section 1.420(d) of the Commission's Rules).

(b) With respect to petitions for rule making which conflict with the proposals in this Notice, they will be considered as comments in the proceeding, and Public Notice to this effect will be given as long as they are filed before the date for filing initial comments herein. If they are filed later than that, they will not be considered in connection with the decision in this docket.

(c) The filing of a counterproposal may lead the Commission to allot a different channel than was requested for any of the communities involved.

4. Comments and Reply Comments; Service. Pursuant to applicable procedures set out in Sections 1.415 and 1.420 of the Commission's Rules and Regulations, interested parties may file comments and reply comments on or before the dates set forth in the *Notice of Proposed Rule Making* to which this *Appendix* is attached. All submissions by parties to this proceeding or by persons acting on behalf of such parties must be made in written comments, reply comments, or other appropriate pleadings. The person filing the comments shall serve comments on the petitioners. Reply comments shall be served on the person(s) who filed comments to which the reply is directed. A certificate of service shall accompany such comments and reply comments. (See Section 1.420(a), (b) and (c) of the Commission's Rules.) Comments should be filed with the Secretary, Federal Communications Commission, Washington, D.C. 20554.

5. Number of Copies. In accordance with the provisions of Section 1.420 of the Commission's Rules and Regulations, an original and four copies of all comments, reply comments, pleadings, briefs, or other documents shall be furnished the Commission.
