RE: Docket 93-8
Notice of Oral *Ex Parte* Presentation

Dear Ms. Dortch:

On January 7, 2008, Andrew Jay Schwartzman of Media Access Project participated in a short meeting with Monica Desai, Mary Beth Murphy, John Norton, Belinda Nixon and Holly Saurer of the Media Bureau.

During the conversation, Mr. Schwartzman repeated several points made in previously filed comments in Docket 93-8. In addition, he stressed that the statutory language of Section 4(g)(2) of the 1992 Cable Act gives the Commission broad discretion in defining the term “predominantly utilized for the transmission of sales presentations....”

Respectfully submitted,

/s/

Andrew Jay Schwartzman
