

Juno Hamburger Phone Launched by Cellphone

HongKong: Cellphonefocus.com, the world's first Factory-Direct Online Retail Superstore based in Hong Kong, adds new telephone collection with Juno Hamburger Phone Telephone, French Fries Telephone, and Cat Corded Telephone.

"With the popularity of the Movie Juno, more and more people are looking for a hamburger phone that the heroine "Juno" owned. So, we released this phone, and our prices is only \$11.99, much cheaper than ebay's \$30 or \$40!" said Leslie.chan, Sales Manager of cellphonefocus.com.

Many customers of cellphonefocus.com are satisfied with this activity, "i love this phone, so cute! Really like the one Juno used!" said Kelly from New York, a customer of Cellphonefocus.com.
