Re: MB Docket No. 07-57, Consolidated Application for Authority to Transfer
Control of XM Satellite Radio Holdings Inc. and Sirius Satellite Radio Inc.
***Ex Parte* Presentation**

Dear Ms. Dortch:

This is to notify you that on January 9, 2008, Chester C. Davenport, Founder and Managing Director of Georgetown Partners L.L.C. and Rev. Jesse L. Jackson, Sr., Founder and President, Rainbow PUSH Coalition, met with Chairman Kevin Martin.

The discussion was consistent with Georgetown Partner's filings previously submitted in this docket. Georgetown Partners has proposed that, as a partial remedy to the adverse competitive effects of the proposed merger, Sirius/XM lease a portion of their infrastructure and at least 20 percent of their channel capacity on a permanent basis to a minority-controlled entity to create competition and diversity in the satellite radio market place.

In accordance with Section 1.1206 of the Commission's rules, 47 C.F.R. § 1.1206, this letter is being filed in the above docket.

Respectfully submitted,

David R. Siddall
Counsel to Georgetown Partners L.L.C.
