

## New Lover Watches Launched by Watchessuperstore

HongKong: Watchessuperstore.com, the world's first Factory-Direct Online Retail Superstore featuring cheap wrist watches, adds new Lover Watches lines for the coming Valentine's Day, leading the trend of lover gift field.

"Valentine's Day is coming, our customers asked us to add new lover watches, so we did a research and launched today's new arrivels according to their kinds of needs." said Leslie Chan, Sales Manager of Watchessuperstore.com.

Those lovers watches are all high quality quartz watches with fashion design and unique exquisite appearance, consisting of over 20 pairs of members. "These sets of watches not only can represent as a present, but also can stand for you two are in lovestruck. What's more, they are very charming for all occasions, especially you two date with each other!" said Leslie Chan.

Customers are satisfied with Watchessuperstore's special arrangement. "Amazing! Only \$15! I love these watches, really cool and cheap! My honey will love it! Thanks Watchessuperstore!" said Larry from Australia, a customer of Watchessuperstore.com.
