DECEMBER 21, 2007

Your MCI local, toll and/or long distance service will transferred to Verizon unless you choose a new provider by February 9, 2008.

Your current local, toll and/or long distance telecommunications providers are one or more of the following: MCImetro Access Transmission Services LLC; MCI Communications Services, Inc.; or Teleconnect Long Distance Services and Systems Company (d/b/a Telecom*USA)(collectively, "MCI" or "the MCI companies"). These companies have agreed to transfer their residential and small business customers to Verizon Virginia West Inc. and/or its other affiliates ("Verizon").

Subject to obtaining state and federal regulatory approvals, we anticipate that the transition will occur in the near future but not before February 9, 2008. Unless you begin using a service provider other than one of the MCI companies prior to this date, MCI will transition your current MCI local, toll and/or long distance service to Verizon. If an MCI company is not your local, toll or long distance service provider, the change to Verizon will not impact your local or long distance carrier selection, respectively. If you do not contact Verizon or select another provider prior to February 9, 2008, your MCI account will be transferred to Verizon with the following services and associated monthly charges:

Your new calling plan will be Thrifty Caller with Freedom Local. This plan is \$48.50 with unlimited local calling. This plan does not include calling features, although certain features may be available for an additional fee. Long Distance calling will be provided under FirmRate Advantage for \$10.00 per month. State to state and in state toll calls will be 6.4 cents per minute. If you have an MCI international calling plan, your new International calling plan will be Talk to the world. For just \$5.95 per month, you'll get flat rates for all direct-dialed international and calling card calls with competitive, country-specific flat rates to more than 250 locations. If you have MCI Toll Free (T800) service, your new service will be Verizon Toll Free Service. For \$10 per line per month calls can originate nationwide or from Canada and will contribute to minimum long distance spending levels. Your existing Toll Free number will be switched to this service.

Please do not hesitate to contact Verizon if you would like to select a different calling plan than the one described. If, in the near future, there are any changes to your rates, terms or conditions associated with your service, Verizon will notify you in your monthly bill.

As a result of MCI's withdrawing from the residential and small business telecommunications services market in West Virginia, you have the right to subscribe to local, toll and long distance service from any service provider you wish. This decision is entirely up to you, and you may choose to switch to another carrier either before or after this change occurs. Please note: Verizon will automatically become your new provider on or after February 9, 2008. If you select an alternative provider after February 9, 2008, your choice can only be put into effect after the change to Verizon. Verizon values your business and will gladly respond to any questions you may have about your new service upon the change. Should your account automatically transfer to Verizon, you will not incur any charges for the change to Verizon. However, selecting a carrier other than Verizon may result in a charge being imposed for which Verizon will not be responsible.

If you have arranged a local, toll and/or long distance preferred carrier freeze(s) through your local carrier on the service(s) involved in this transfer, the freeze(s) will be removed in order to transition your service to Verizon. After the transfer, you must contact your local carrier if you want to re-establish a preferred carrier freeze.

Prior to the actual transfer date, the MCI companies will continue to be responsible for all customer service inquiries, complaints, billing issues and questions regarding this notice, and you should contact your MCI company representative toll-free at 1-800-201-7187. If you have any questions regarding this notice or your account after the transfer date, you should refer your questions to Verizon toll-free at 1-800-544-5663.

Verizon looks forward to the opportunity to be your telephone service provider. If you have any questions regarding Verizon's services, please do not hesitate to contact Verizon toll-free at 1-800-544-5663 or through our web site at www.verizon.com.

Sincerely,

DECEMBER 24, 2007

Su servicio local, regional o de larga distancia de MCI será transferido a Verizon a no ser que elija un proveedor nuevo antes del 9 de febrero de 2008.

Estimado(a) Cliente:

En la actualidad usted tiene uno o varios de los siguientes proveedores de servicio local, regional y de larga distancia: MCI Metro Access Transmission Services LLC, MCI Communications Services, Inc. o Teleconnect Long Distance Services and Systems Company (d/b/a Telecom*USA) (colectivamente, «las compañías de MCI»). Estas compañías han acordado transferir todos sus clientes residenciales y de pequeñas empresas a Verizon West Virginia y/o a sus filiales («Verizon»). En espera de las aprobaciones reglamentarias estatales y federales necesarias, se prevé que la transición se produzca en un futuro cercano, pero no antes del 9 de febrero de 2008. A no ser que antes de esa fecha se suscriba a los servicios de otro proveedor que no sea una de las compañías de MCI, MCI transferirá a Verizon su servicio local, regional o de larga distancia. Si su proveedor de servicio local o de larga distancia no es ninguna de las compañías de MCI, el cambio a Verizon no afectará la compañía de teléfonos que haya elegido. Si no se comunica con Verizon o no elige otro proveedor antes del 9 de febrero de 2008, la cuenta será transferida a Verizon con los siguientes servicios y cargos mensuales asociados:

Su nuevo plan de llamadas es Verizon Five Cents Plan. Las llamadas de larga distancia a otros estados costarán 5¢ el minuto; las tarifas de las llamadas dentro del estado varían. Se aplica un cargo mensual recurrente (MRC) de \$6.00 y un nivel de gastos mínimos (MSL) de \$9.99 al mes. Los cargos que contribuyen al mínimo aparecerán en la sección de larga distancia de la factura de Verizon e incluyen, entre otros, los siguientes: llamadas nacionales 1+ y de larga distancia internacional, llamadas con tarjeta, fuera de casa, número personal toll free, llamadas con asistencia del operador y los cargos recurrentes internacionales mensuales. Los impuestos federales y estatales, los créditos, los cargos del Servicio Universal, los cargos facturados por otras compañías telefónicas y otros recargos e impuestos no contribuyen al requisito de uso mínimo mensual. Cuando en un mes de facturación dado los cargos aplicables son iguales o superiores al MSL, no se impondrá ningún cargo de MSL. Si los cargos aplicables no llegan al cargo de MSL, la diferencia entre esta cuota y los cargos reales se facturará en una factura independiente. Si también tiene un plan internacional de MCI, las llamadas internacionales se facturarán según las tarifas de International Choice Plan with City Rates. Podrá llamar a más de 240 países y 55 ciudades extranjeras con las tarifas más bajas de Verizon Long Distance por una económica cuota mensual de \$4.00. La tarifa se aplica las 24 horas del día, los 7 días de la semana, y varía según el país.

No dude en ponerse en contacto con Verizon si prefiere otro plan de llamadas distinto al descrito anteriormente. Si en el futuro se produce algún cambio en las tarifas, términos o condiciones del servicio, Verizon le notificará de ello en su factura mensual.

Debido a que MCI ya no ofrece servicios de telecomunicaciones para clientes residenciales y pequeñas empresas en West Virginia, usted tiene derecho a suscribirse a los servicios locales, regionales y de larga distancia del proveedor que prefiera. Su decisión depende totalmente de usted y podrá cambiarse de proveedor antes o después de que se produzca este cambio. Tenga en cuenta que Verizon se convertirá automáticamente en su proveedor el 9 de febrero de 2008 o en una fecha posterior. Si selecciona a otro proveedor después del 9 de febrero de 2008, su elección entrará en vigor después de que se produzca la transferencia a Verizon. Su empresa es muy importante para Verizon por lo que estamos a su disposición para responder a cualquier pregunta que pueda tener sobre el nuevo servicio cuando se produzca el cambio. Si la cuenta es transferida automáticamente a Verizon, no se le cobrará ningún cargo por el cambio. No obstante, si decide elegir otro proveedor que no sea Verizon, se le podrían cobrar cargos de los que Verizon no es responsable.

Si tiene activada la congelación de compañía telefónica preferida del servicio local, regional o de larga distancia a través del proveedor local para los servicios involucrados en la transferencia, la congelación será suspendida para poder transferir los servicios a Verizon. Una vez se haya producido tal transferencia, póngase en contacto con la compañía telefónica local si quiere volver a activar la congelación.

Hasta que llegue la fecha efectiva de transferencia, las compañías de MCI seguirán respondiendo a sus consultas, quejas, preguntas sobre facturación y otras dudas sobre este aviso. Puede llamar gratis a un representante de la compañía de MCI al teléfono 1-800-201-7347. Si tiene alguna pregunta sobre la cuenta después de la fecha de transferencia, llame gratis a Verizon al teléfono (304) 954-6250.

En Verizon esperamos que nos conceda la oportunidad de poder prestarle nuestros servicios telefónicos. Si tiene alguna pregunta sobre los servicios de Verizon, llame gratis al teléfono (304) 954-6250 o visite nuestro sitio web en www.verizon.com.

If you do not contact Verizon or select another provider prior to February 9, 2008, your account will be transferred to Verizon with the following services and associated monthly charges:

Your new calling plan is Freedom Essentials. It includes unlimited calling within the United States and Canada. Also included are Call Waiting, Caller ID and Home Voice Mail at a promotional price of \$39.99 for the first twelve months. After the promotion rate expires, the rate will be \$51.99 per month. Certain calling features you may have used will not be available. If you have an MCI international calling plan, your international calls will be billed under the International Choice Plan with City Rates. You'll be able to call abroad with the lowest rates Verizon Long Distance offers to over 240 countries and over 55 international cities for a low monthly fee of \$4.00. Rates apply 24 hours a day, seven days a week, and vary by country.

Please do not hesitate to contact Verizon if you would like to select a different calling plan than the one described. If, in the future, there are any changes to your rates, terms or conditions associated with your service, Verizon will notify you in your monthly bill.

As a result of MCI's withdrawing from the residential and small business telecommunications services market in West Virginia, you have the right to subscribe to local, toll and long distance service from any service provider you wish. This decision is entirely up to you, and you may choose to switch to another carrier either before or after this change occurs. Please note: Verizon will automatically become your new provider on or after February 9, 2008. If you select an alternative provider after February 9, 2008, your choice can only be put into effect after the change to Verizon. Verizon values your business and will gladly respond to any questions you may have about your new service upon the change. Should your account automatically transfer to Verizon, you will not incur any charges for the change to Verizon. However, selecting a carrier other than Verizon may result in a charge being imposed for which Verizon will not be responsible.

If you have arranged a local, toll and/or long distance preferred carrier freeze(s) through your local carrier on the service(s) involved in this transfer, the freeze(s) will be removed in order to transition your service to Verizon. After the transfer, you must contact your local carrier if you want to re-establish a preferred carrier freeze.

Prior to the actual transfer date, the MCI companies will continue to be responsible for all customer service inquiries, complaints, billing issues and questions regarding this notice, and you should contact your MCI company representative toll-free at 1-800-201-7178. If you have any questions regarding this notice or your account after the transfer date, you should refer your questions to Verizon toll-free at 703-954-6710.

Verizon looks forward to the opportunity to be your telephone service provider. If you have any questions regarding Verizon's services, please do not hesitate to contact Verizon toll-free at 703-954-6710 or through our web site at www.verizon.com.

Sincerely,

Dear Customer:

Your MCI local, toll and/or long distance service will be transferred to Verizon unless you choose a new provider by February 9, 2008.

Your current local, toll and/or long distance telecommunications providers are one or more of the following: MCImetro Access Transmission Services LLC; MCI Communications Services, Inc.; or Teleconnect Long Distance Services and Systems Company (d/b/a Telecom*USA) (collectively, "the MCI companies"). These companies have agreed to transfer their residential and small business customers to Verizon West Virginia Inc. and/or its other affiliates ("Verizon").

Subject to obtaining state and federal regulatory approvals, we anticipate that the transition will occur in the near future, but not before February 9, 2008. Unless you begin using a service provider other than one of the MCI companies prior to this date, MCI will transition your current MCI local, toll and/or long distance service to Verizon. If an MCI company is not your local or long distance service provider, the change to Verizon will not impact your local or long distance carrier selection, respectively. If you do not contact Verizon or select another provider prior to February 9, 2008, your account will be transferred to Verizon with the following services and associated monthly charges:

Your new calling plan will be Talk Time 30. It includes 30 minutes of long distance calling for a \$5.00 monthly fee. For long distance calls after the first 30 minutes, you will pay 10 cents per minute state to state and 12 cents for toll calls within the state. If you have an MCI international calling plan, your international calls will be billed under the International Choice Plan with City Rates. You'll be able to call abroad with the lowest rates Verizon Long Distance offers to over 240 countries and over 55 international cities for a low monthly fee of \$4.00.
