Re: WT Docket No. 02-55

Dear Ms. Dortch:

On Monday, January 14, 2008, Lawrence Krevor, Vice President, Government Affairs – Spectrum, Sprint Nextel Corporation (“Sprint Nextel”); James Goldstein, Director – Spectrum, Sprint Nextel, and I held two separate meetings with Angela Giancarlo, Wireless and International Advisor to Commissioner Robert McDowell, and Renee Crittendon, Spectrum and International Advisor to Commissioner Jonathan Adelstein. At both meetings, we discussed our concern that, as described in the press, the draft Public Notice being considered by the Commission fails to establish the planning and coordination needed to complete 800 MHz rebanding in a timely and minimally disruptive manner. We explained why the failure to plan and coordinate rebanding would be extremely disruptive to public safety and Sprint Nextel’s customers.

This letter is being filed electronically for inclusion in the public record of this proceeding.

Sincerely,

/s/ Regina M. Keeney
