Re: Request by State Broadcasters Associations for Declaratory Ruling Concerning Application of the Commission's Political Programming Regulations to Three Internet "Airtime Sales Programs," MB Docket No. 07-137

Dear Ms. Dortch:

On January 23, 2008, Richard Wiley and the undersigned of Wiley Rein LLP, counsel for Bid4Spots, Inc. ("Bid4Spots"), met with Michelle Carey, Senior Legal Advisor, Media Issues, to Chairman Kevin J. Martin, concerning the above-referenced proceeding. The meeting participants discussed the manner in which Bid4Spots operates, the recently added "SpotFill" feature, and its position that broadcast advertising spots sold via Internet auction websites such as Bid4Spots should not count toward the Lowest Unit Charge obligations of individual broadcast stations that use these auction services.

Please direct any inquiries concerning this matter to the undersigned.

Respectfully submitted,

_____/s/
