*Re: Unlicensed Operation in the TV Broadcast Bands, ET Docket No. 04-186*

Dear Ms. Dortch:

On January 23, 2008, the undersigned, on behalf of Microsoft Corp., met with Steven Jones and Thomas Phillips of the Office of Engineering and Technology to exchange the white space test device submitted by Microsoft to OET in December for an updated version of the device. The new device provided by Microsoft is functionally identical to the white space device previously submitted on January 15. As with the previous devices submitted by Microsoft to OET for testing, this device was designed and manufactured for Microsoft by Metric Systems Corp. of Vista, California.

Pursuant to the Commission's rules, a copy of this notice is being filed electronically in the above-referenced docket. If you require any additional information please contact the undersigned.

Sincerely yours,
