Dear FCC:

I support the merger of Sirius and XM satellite radios. I am excited to have access to Major League Baseball and all of the great programming available on XM. As a Sirius subscriber, I look forward to the continued great service that they offer. I do not consider this merger to create a monopoly as there are many other sources of music - including AM/FM radio, MP3 players, and the internet.

Please vote to approve this merger.

Thank you,

Chandra Mc Keon

Sincerely,
