

T> Dear FCC-- My comment is regarding the proposed sale of UNICEL to Verizon Wireless or AT&T. I am concerned that my current regional unlimited phone and data plan for \$71 per month will not be honored by the new corporate owners. I implore that you regulate the sale so that current UNICEL plans are "grandfathered" in, so that I will be able to continue paying \$71 per month for my unlimited voice and data plan for as long as I remain a customer. -- Sincerely, Daniel Weiss, 161 Austin Dr. Apt. 106, Burlington, VT 05401>
