Subject: Withdrawal of E-Rate Appeal

JAN 24 2008

Federal Communications Commission
Office of the Secretary

Anita,

I am withdrawing the E-rate appeal filed by Hartford Public Schools for 471 numbers 772258, 300878, and 772193 because the appeal is now moot. The funding request was for priority 2 internal connections, and in Funding Year 2002, 80% schools such as Hartford did not qualify to receive funding for internal connections.

Thanks very much for your cooperation!
