Re: MB Docket No. 04-233

Dear Ms. Dortch:

On January 29, 2008, members of the National Association of Broadcasters (NAB) (see attached list), and Jane Mago, Ann Bobeck and the undersigned of NAB met with Commissioner Robert McDowell and his Legal Adviser Cristina Pauzé to discuss the Commission's recently issued Report on Broadcast Localism and Notice of Proposed Rulemaking.

The attendees discussed their concerns over various aspects of the Localism Notice, including the relative costs and benefits of reinstating obligations on broadcasters to maintain radio station personnel on-site at all times, and to locate a station's main studio within its community of license.

Please direct any questions concerning this matter to the undersigned.

Respectfully submitted,

A handwritten signature in black ink, appearing to read "Larry A. Walke".
