

In regards to USAC funding year 2007-2008, documents (attachment "21") submitted to USAC apparently were not received. I have contacted USAC and they did not receive the appeal that was also submitted in August 2007.

470 Application#501340000615289.

We respectfully ask that this denial be overturned as this has now caused an undue hardship on this rural district.
