Re: MB Docket No. 07-57, Consolidated Applications for Authority to Transfer
Control of XM Satellite Radio Holdings Inc. and Sirius Satellite Radio Inc.
***Ex Parte* Presentation**

Dear Ms. Dortch:

This is to notify you that on February 13, 2008, Chester C. Davenport, Managing Director of Georgetown Partners L.L.C.; David Rivkin, Partner, Georgetown Partners; Michael Alston and Jon Fotos of Georgetown Partners; Andrew Berg of King and Spalding LLP; and the undersigned met with Scott Deutchman, Legal Advisor to Commissioner Michael Copps.

The discussion was consistent with Georgetown Partners' filings previously submitted in this docket. Georgetown Partners has proposed that, as a partial remedy to the adverse competitive effects of the proposed merger, Sirius/XM lease at least 20 percent of their channel capacity and a portion of their infrastructure on a permanent basis to an entity such as Georgetown to create competition in the satellite radio market place.

In accordance with Section 1.1206 of the Commission's rules, 47 C.F.R. § 1.1206, this letter is being filed in the above docket.

Respectfully submitted,

David R. Siddall
Counsel to Georgetown Partners L.L.C.
