***Re: Ex Parte Presentation in CS Docket Nos. 98-120, 00-96***

DISH Network submits this letter summarizing ex parte presentations from Wednesday, February 20, 2008 and today in the above-referenced dockets to address DISH Network's concerns with the imposition of a digital HD must carry obligation on DBS providers. Specifically, Charlie Ergen, Stanton Dodge, and the undersigned of DISH Network had separate telephone conversations with Chairman Kevin Martin; Commissioner Michael Copps and Rick Chessn; and Commissioner Jonathan Adelstein and Rudy Brioché. The undersigned also spoke with Eloise Gore in the Media Bureau on the same topic.

Respectfully submitted,
