Annual 47 C.F.R. § 64.2009(e) CPNI Certification

EB Docket 06-36

Annual 64.2009(e) CPNI Certification for 2007

Date filed: February 25, 2008

Name of company covered by this certification: BEK Communications Cooperative

Form 499 Filer ID: 802023

Name of signatory: Roxanne Pfliiger

Title of signatory: COO

I, Roxanne Pfliiger, certify that I am an officer of the company named above, and acting as an agent of the company, that I have personal knowledge that the company has established operating procedures that are adequate to ensure compliance with the Commission's CPNI rules. See 47 C.F.R. § 64.2001 *et seq.*

Attached to this certification is an accompanying statement explaining how the company's procedures ensure that the company is in compliance with the requirements set forth in section 64.2001 *et seq.* of the Commission's rules. See attached accompanying statement of operating procedures.

The company has not taken any actions (proceedings instituted or petitions filed by a company at either state commissions, the court system, or at the Commission against data brokers) against data brokers in the past year.

The company has not received any customer complaints in the past year concerning the unauthorized release of CPNI.

The company currently has no information with respect to the processes pretexters are using to attempt to access CPNI. At this time, we have not encountered known pretexting. Our protective measures against pretexters are outlined in the accompanying statement of operating procedures.

Attachment: Accompanying Statement of Operating Procedures

Per the FCC CPNI rules [47 CFR §64.2009(e)] and as referenced in the attached signed certification, BEK Communications Cooperative, herein referenced as the Company hereby certifies that the Company [and its affiliates] is in compliance with the FCC CPNI rules and has outlined some of the important operating procedures below in order to ensure the Company's compliance in the protection of CPNI:

1. CPNI manual has been updated in order to account for all FCC CPNI rules, including the recent revisions, and has been adopted by our Company's board
2. CPNI Compliance officer has been designated to oversee all CPNI duties, training, and activity
3. CPNI was not utilized for marketing purposes, however if Company should decide to utilize CPNI marketing in the future, the following is in place and will be utilized
 - o Established an outbound marketing supervisory review process for the use of CPNI
 - o Records are maintained for any marketing campaigns that utilize customers' CPNI for a minimum of one year
4. Opt-out method for approval of CPNI use for marketing campaigns is utilized
 - o Customers are notified bi-annually of their rights for the use of their CPNI in marketing campaigns
 - o New customers are notified of the opt-out procedure as a part of the customer sign-up process
 - o Billing system displays customer's opting status
 - o Compliance officer retains CPNI notifications and opting records for at least two years
5. Employees have been trained on when they are, and are not, authorized to use or disclose CPNI
 - o Disciplinary process has been defined and is in place for violations and/or breaches of CPNI
6. Carrier authentication requirements have been met
 - o All customers during a customer-initiated telephone call are authenticated as being an authorized account contact before discussing CPNI (non-call detail or call detail) without utilizing readily available biographical or account information as defined by the FCC
 - o Call detail and non-call detail CPNI is only released to customers during customer-initiated telephone contact if a password is provided. If the requesting customer does not provide a password, only the following FCC approved methods are permitted for the release of the requested CPNI:
 - Sending the requested detail to the address of record (only a physical or email address associated with that particular account that has been in our company files for at least 30 days)
 - Calling the customer back at the telephone of record (only disclosing if the customer was authenticated as being an authorized account contact)
 - Having customer come in to Company's office and provide a valid government issued photo ID
7. Notices are sent immediately to customers indicating particular account changes such as:
 - o password
 - o customer response to a back-up means of authentication for lost or forgotten passwords
 - o online account
 - o address of record
8. Notice of unauthorized disclosure of CPNI, a notification process is in place in order to notify both law enforcement and customer(s) in the event of a CPNI breach within the timeline specified by the FCC
9. Additional protection measures are taken above and beyond the current FCC CPNI rules
 - o Company takes reasonable measures to discover and protect against activity that is indicative of pretexting
 - o Company maintains security of all CPNI, including but not limited to:
 - Documents containing CPNI are shredded
