Re: Consolidated Application for Authority to Transfer Control of XM
Radio Inc. and Sirius Satellite Radio Inc., MB Docket No. 07-57

Dear Ms. Dortch:

Dr. Mark Cooper, Director of Research at the Consumer Federation of America, met with Commissioner Copps and his legal advisors Scott Deutchman and Rick Chessen on February 19 to describe the continuing opposition of the Consumer Federation of America to the transfer of control in the above captioned proceeding. Dr. Cooper reviewed the filings of CFA in the proceeding and explained why recent filing by the merging parties fail to address CFA's concerns.
