Statement of CPNI Procedures and Compliance

Matrix Telecom, Inc.
STATEMENT OF CPNI PROCEDURES AND COMPLIANCE

Matrix Telecom, Inc., ("Matrix" or "Company") provides presubscribed local and long distance services to residential and business customers. The Company provides the following as its Statement of CPNI compliance.

The Company uses CPNI, upon occasion, to market services to its customers and notifies its customers of their right to restrict use of, disclosure, and access to their CPNI, prior to asking for approval to use CPNI. Customer approval is obtained using opt-out approval and the Company establishes and maintains records establishing that notice was provided and approval was obtained. The Company maintains a record of all sales and marketing campaigns that use CPNI.

Matrix's utilizes both direct billing and LEC billing and has taken steps to secure CPNI and manage its release in accordance with FCC rules. The company has put into place processes to safeguard its customers' CPNI and call detail information from improper use or disclosure by employees; and to discover and protect against attempts by third parties to gain unauthorized access to CPNI.

User account information can only be accessed by authorized representatives of the company. Such authorized representatives have access to customer records management systems only via an established password protected account set-up in their name by a system administrator. When the Company agent accesses customer information of any type, an audit log is created on the account that indicates the company agent that accessed the records. Additionally, access to CPNI used for the purpose of reporting and managing the business is centralized to the Company' Reporting Group that has limited password access to customer information.

Every employee that has access to CPNI is trained by the Company. All customer service personnel go through CPNI training and must acknowledge receipt of the policy. Call quality monitoring is done on each agent on a monthly basis, within this monitoring, procedures are reviewed and if not followed, progressive discipline action is performed. The marketing department has likewise been trained by the legal department regarding when and how they may use CPNI.

Call detail information is provided over the telephone to customers. Employees must verify the caller obtaining CPNI information, verification steps are: Name/Address/Social Security #, Date of Birth. If Social Security # or Date of Birth is not available to verify on the account, the agent must review Caller ID display to make sure caller is calling from the telephone number in question. If caller is not, the agent advises that they cannot issue any further information unless they are able to contact them back at the telephone number in question.

The Company maintains a record of all instances where CPNI was disclosed or provided to third parties, or where third parties were allowed access to CPNI.
