Dear FCC:

Please do the right thing and approve the merger between XMSR and SIRIUS Satellite Radio. Sirius has agreed to lower prices ala carte starting at \$6.99 for 50 of your favorite channels. They have alot of competition with terrestrial radio, ipods, slackers, etc. and will not be a monopoly. Your taking this long to approve the merger is a travesty! In your heart of hearts I know you know you should approve the merger a.s.a.p.

Sincerely,

Carol Aryan
