Washington, DC 20554

Dear FCC:

Please allow these two companies to Merge. Satellite Radio is the best thing that has happened to Radio and the combining of these two companies will just allow them to improve the services they are currently offering.

I understand the FCC concerns with Censorship but I don't agree with them. I don't see them hasseling HBO and Cinemax.

Allow Sirius and XM to merge because that is what the PUBLIC WANTS!!!

Sincerely,

Sean Powell
