Re: WT Docket No. 99-217 – In the Matter of Promotion of Competitive
Networks in Local Telecommunications Markets

MB Docket No. 07-51 – In the Matter of Exclusive Service Contracts for
Provision of Video Services in Multiple Dwelling Units and Other Real Estate
Developments

Dear Ms. Dortch:

Yesterday, on behalf of Shenandoah Telecommunications Company (“Shentel”), I spoke by telephone with Ian Dillner, Legal Advisor to Chairman Kevin Martin, in connection with the Commission’s consideration of matters in WT Docket No. 99-217. I described the Petition for Clarification, or, in the Alternative, Reconsideration filed by Shentel on February 6, 2008, in MB Docket No. 07-51, and I respectfully requested that any action the Commission takes in WT Docket No. 99-217 not inadvertently prejudice the outcome of the Commission’s deliberations over Shentel’s pending Petition.

Please contact the undersigned if you have any questions concerning this letter.

Respectfully submitted,

/s/ Yaron Dori
