

My question to you is what ever happened to Freedom of speech? What law does Christian radio violate. They tell people about our Lord and Savior Jesus Christ and all that He has done for us. Is that a crime? Is that deserving of them being censored? And what about freedom of religion. We have the right to belief whatever we want and our rights are protected by the Constitution of the United States. As well as our Freedom of Speech. If people dont want to listen to it, then they have the right to turn the radio station,nobody is forcing them to sit and listen. You allow others like Don Imus, Howard Stearn, people who are downright filthy and disgusting but you want to take away the ability to tell others about Jesus Christ. It is pretty sad that this day has come when sex and every UnGodly thing is okay to talk about but not God. I really hope and PRAY you change your mind and allow Christian radio to continue to broadcast the good news of our Lord and Savior. Have a great day.
