Dear Ms. Dortch:

On Tuesday, March 11, 2008, Karlen Reed, Regulatory Counsel with the National Telecommunications Cooperative Association (NTCA), met with Chris Moore and Wayne Leighton, Legal Advisors to Commissioner Deborah Tate. NTCA discussed issues raised in NTCA's reply comments concerning the support for CMAS alert, PS Docket No. 07-287; the cost and implementation time for 9-digit zip code implementation for Form 477 data collection broadband mapping, WC Docket No. 07-38; and the cost of changing lighting systems regarding the tower lighting and migratory birds, WT Docket No. 03-187. NTCA also discussed the results of NTCA's 2007 Broadband Survey, which is attached to this ex parte letter. The discussions were consistent with NTCA's positions in previously filed comments and pleadings in the above-referenced dockets.

Pursuant to Section 1.1206 of the Commission's rules, copies of this letter and attachment are being filed via ECFS with your office. If you have any questions, please do not hesitate to contact me at (703) 351-2146.

Sincerely,
