MB Docket No. 04-233

2008 FEB 32 P 2:29

To: The Commission

**AMENDED MOTION IN SUPPORT OF EXTENSION OF DEADLINE
FOR FILING OF COMMENTS AND REPLY COMMENTS**

The noncommercial broadcast organizations identified below ("NCE Organizations") support the Motion for Extension of Deadline for Filing of Comments and Reply Comments filed on February 21, 2008 by the State Broadcasters Associations in the above-captioned matter and join in the request of the State Broadcasters Associations that the Commission extend the dates for filing comments and reply comments in response to the Commission's *Report on Broadcast Localism and Notice of Proposed Rule Making*, released on January 24, 2008. ("NPRM")

The issues raised by the NPRM are so broad in scope and so potentially profound in their effects as to warrant the requested extension of time. The extension would enable the NCE Organizations to present information that will help the Commission understand the particular impact that the rules proposed in the NPRM could have on NCE stations.

Accordingly, the NCE Organizations listed below request that the Commission extend the dates for filing comments and reply comments in response to the NPRM to and including April 28, 2008 and June 11, 2008, respectively.
