*Re: Unlicensed Operation in the TV Broadcast Bands, ET Docket No. 04-186*

Dear Ms. Dortch:

On March 12th 2008, Neeraj Srivastava and Kerry Murray of Dell Inc. and Paul Margie of Harris, Wiltshire & Grannis, met with Julius Knapp, Ira Keltz, Alan Stilwell, Geraldine Matisse, Bruce Romano and (via video conference) Rashmi Doshi, all of the Office of Engineering and Technology, regarding the TV white spaces proceeding.

During these meetings, Dell reiterated its strong support for licensing portable white space devices and discussed the FCC's testing process, the different methods for detecting wireless microphones discussed in the FCC's docket, that submitted devices should be understood to be test devices, and how different types of radios are being integrated into new and planned Dell products.

Pursuant to the Commission's rules, a copy of this notice is being filed electronically in the above-referenced docket. If you require any additional information please contact the undersigned.

Sincerely yours,

*/s/ Kerry Murray*
