Dear FCC:

Just a quick note to tell you how much I enjoy XM radio. I am a truck driver and it's so nice to tune to a certain channel and never lose it in the middle of a song. I bought a new Ford pick-up last year, and it had the Sirius radio in it with a 6 mo. free trial. I didn't like it as much as my XM stations, but did manage to find a few to tune into. Now I am patiently awaiting this merger I have heard so much about. I want the best of BOTH companies. Please please please...let's just let the merger happen! I am not going to pay for both radios when I can enjoy the option of picking my favorites from both and paying one bill.

Sincerely,

Ms. Pat Kramer
