SUPPLEMENT

SUPPLEMENT

The Transferee, TDS Telecommunications Corporation ("TDS Telecom"), hereby supplements Section 12 of the application, describing how grant of the application will serve the "public convenience and necessity," as follows. TDS Telecom has no plans to raise rates or otherwise alter, to the detriment of customers, the terms and conditions of service currently offered by Mosinee Telephone Company. On the contrary, as noted in the application, TDS Telecom will be able to offer improved service to Mosinee's customers, owing to the economies of scale and scope which a holding company can provide.
