Dear FCC:

I've sent numerous e-mails and haven't received any response. I want to know why another day has past and this merger is still not approved. This merger should have been approved months ago. Chairman Martin needs to give his decision this is a farce. I would like my congressman and representatives to know I'm very disturbed by this and believe they will do the right thing. This approval is long over due I would appreciate a response and I DON'T HAVE FOURTEEN MONTHS AND EITHER DID XM AND SIRIUS.

Sincerely,

Ronald Strickler
