Re: USAC 2007 Annual Report to the FCC and Congress

Dear Ms. Dortch:

I am pleased to provide you with a copy of the Universal Service Administrative Company's (USAC's) 2007 Annual Report. This annual report highlights USAC's accomplishments in 2007 and reports on USAC's financial standing.

USAC submits its annual report to the Federal Communications Commission (FCC) and Congress in accordance with 47 C.F.R. 54.702(g), which requires USAC to report on its operations, activities, and accomplishments for the prior year, including information about participation in each of the universal service programs and administrative action intended to ensure program integrity. Pursuant to FCC rules, USAC has consulted with FCC staff to determine the scope and content of the annual report.

We want to thank you for providing USAC with the opportunity to assist the Commission in accomplishing its goal of providing universal service to the nation's telecommunications consumers.

If you have any questions concerning this annual report, please feel free to contact me at (202) 263-1605 or Eric Iversen, Director of External Relations, at (202) 263-1616.

Sincerely,

D. Scott Barash
Acting Chief Executive Officer
