Re: Ex Parte Presentation,
WC Docket No. 07-135

Dear Ms. Dortch:

On April 7, 2008, Anna Gomez, Michael Fingerhut and I, as well as our outside counsel, Richard Metzger of Lawler, Metzger, Milkman and Keeney, met with Chris Moore of Commissioner Tate's office to discuss traffic pumping. Sprint Nextel provided an update on traffic pumping activities we have experienced in recent months (including a 5000% increase in access bills from 11 CLECs over a 21-month period), and urged adoption of the measures we recommended in our filed comments in this proceeding.

I request that this letter, which is being filed electronically, be placed in the file for the above-captioned proceeding.

Please contact me at (703) 433-4503 with any questions.

Sincerely,

Norina Moy
Director, Government Affairs
