Washington, DC 20554

Dear FCC:

Please approve this merger. It is in my best interests as a consumer to have a solid satellite radio company that competes with free, HD, MP3, and other forms of audio content. I need to listen in areas where other broadcast formats do not reach readily. If the merger is not approved, I am afraid that I will eventually lose this inexpensive and informative choice. Thank you in advance.

Sincerely,

Troy Rawlings
