Community Events

Comments (add additional sheets where necessary):

WSET-TV will be providing information at community events throughout the period of our campaign. The first such event was the Lynchburg Regional Chamber of Commerce Trade Show in March 2008. We designed a booth that included the following main points of interest: a countdown clock set to the conversion date, an explanation of the benefits of DTV, a demonstration of a converter box with off air DTV, a computer link to our "DTV Questions" web pages, and a DTV classroom. The classroom area of our booth featured a display explaining analog and digital. WSET-TV staff members were present to answer viewers' questions. The 30-minute National Association of Broadcasters education program explaining DTV titled "Countdown to DTV – Are You Ready?" was looped and shown constantly during the booth's operating hours. Brochures with DTV information were also available.

The Sherwin-Williams Show was on March 20, 2008 at the Roanoke Civic Center. The purpose of the event was for Sherwin-Williams corporate clients and general public customers to have a one-stop shop for the latest home improvement supplies along with some other products and services, including the services of WSET-TV. Christina Sawyer, Sales Account Executive, distributed brochures with DTV information and talked to attendees about the end of analog television and how it will affect them individually.

WSET-TV is an ABC affiliate. ABC has been supporting the DTV Consumer Education Plan through a PSA initiative since November of 2007. WSET-TV has been notified that beginning the week of March 31, 2008, ABC started airing a weekly schedule of closed captioned DTV Consumer Education Plan PSA's and a weekly schedule of "in-program lower 1/3 screen banners" to lend support to the message and direct viewers to additional information. More details about ABC's support will be reported in future filings of FCC 388.

On March 31, 2008, WSET-TV started airing three DTV Action Spots from the National Association of Broadcasters focusing on the

converter box coupon program and the converter box option.
