Dear Ms. Dortch:

This is to report that yesterday, April 11, 2008, at the request of Commissioner Deborah Taylor Tate, Michael Meece and I met with the Commissioner and Wayne Leighton of Commissioner Tate's staff. We discussed the results of the recent 700 MHz auction, primarily the licenses for which QUALCOMM was the high bidder. We also discussed the D block. During that discussion, I urged the Commission to conduct a comprehensive review of the rules governing the D block and the rules which would govern a re-auction of the D block among all affected stakeholders.

Respectfully submitted,

/s/ Dean R. Brenner
