

Christian radio is all we listen to. As a Christian parent, I feel 100% safe in allowing my children to listen to K-Love without fear of them hearing profanity, sexual innuendos, or any of the like. God is what is most important in our family and I beg you to let us continue to have Christian radio. We can't escape the secular world anywhere else, not on T.V., the internet, movies, computer games, etc...please don't take this away from us too. If other organizations want freedom to "express" their beliefs too, let them, but we don't have to and most certainly shouldn't be made to listen to them. Let them have their own listener supported radio stations. Just don't defile ours. I pay a monthly donation to K-Love Radio for the peace of knowing what will air. I have the right to that peace...please don't take it away.
