**Notice of Ex Parte Presentation - WC Docket No. 08-33, *Intrado Communications of Virginia Inc. Petition for Preemption of the Virginia State Corporation Commission***

Dear Secretary Dortch:

On April 16, 2008, Susan A. McGurkin, Director of Federal Government & Regulatory Policy at Intrado Communications Inc. (“Intrado Comm”), and the undersigned met with John Hunter, Chief of Staff and Senior Legal Advisor to Commissioner Robert M. McDowell. The participants discussed Intrado Comm’s efforts to obtain Section 251(c) interconnection with incumbent local exchange carriers in various states and how its experiences relate to the pending petition for declaratory ruling concerning AT&T merger commitment 7.1. Intrado Comm also urged the Commission to act quickly on Intrado Comm’s preemption request to ensure Intrado Comm can obtain the interconnection arrangements it needs to provide local exchange services, including a competitive next-generation 911 service offering to public safety answering points and other public safety agencies.

Please contact the undersigned if you have any questions regarding this matter.

Respectfully submitted,

/s/ Cherie R. Kiser
