CHAIRMAN OF THE BOARD

Dear Kathy:

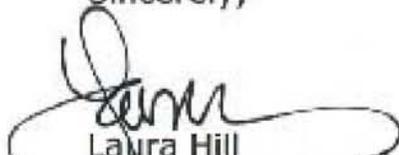

On behalf of the Fiesta of Five Flags Association and the 30<sup>th</sup> Annual Pensacola Seafood Festival, I would like to express my deep appreciation for your Corporate Sponsorship of this event.

We are very proud of the Seafood Festival and believe it is certainly one of the premier events held in our community. As you know, so many volunteers dedicate their weekend to create this success. WEAR's support is not only meaningful, but critical. Due to your efforts we experienced a wonderful festival and although the weather chose not to co-operate, the event was well attended and a certain success!

Many compliments to all of your staff. We appreciate the opportunity to work with you as partners in this showcase event for the Pensacola community. It's also wonderful to have such special Fiesta friends.

Thank you again and I look forward to our continued relationship. Let's work on getting that race car here next year - the community would love it!

Sincerely,

  
Laura Hill  
Executive Director
