

I am appalled that there are any kind of proposals concerning restriction of any communication of any kind being proposed by the FCC, especially restriction of Christian Radio!

We are the United States of America and have a Constitution that protects individual rights including freedom of religion and freedom of speech!!

Please read the following excerpts from our Constitution and help me understand how it is possible to move forward with Proceeding 04-233?

From The United States Constitution-

Establishment Clause/Establishment of Religion Clause/Freedom of Religion Clause I

Amendment I

Freedom of Speech/Freedom of Expression Clause I

Congress shall make no law respecting an establishment of religion, or prohibiting the free exercise thereof; or abridging the freedom of speech, or of the press; or the right of the people peaceably to assemble, and to petition the Government for a redress of grievances.

Freedom of the Press/Freedom of Expression II

Amendment I

Congress shall make no law respecting an establishment of religion, or prohibiting the free exercise thereof; or abridging the freedom of speech, or of the press; or the right of the people peaceably to assemble, and to petition the Government for a redress of grievances.

Rest Assured I am but one voice in this email but I am determined to stop this from impacting my ability or anyone else's ability to have Christian Radio, anytime anywhere!
