CS Docket No. 98-120**

Dear Ms. Dortch:

Under 47 C.F.R. § 1.1206(b), we electronically provide this notice of an ex parte presentation in the docket listed above. On April 22, 2008, Ross Lieberman, Vice President of Government Affairs of ACA met with Rudy Brioche, Legal Advisor to Commissioner Jonathan S. Adelstein.

ACA discussed its understanding of the parameters of Chairman Kevin J. Martin's proposed small cable system exemption from the post-DTV transition must-carry requirements adopted in the above-referenced docket.

Yours truly,
