 activities.

Liberal High School's two-day "Smashed" event focusing on the dangers of substance abuse was a tremendous success, and we want to thank you for your contribution to this meaningful activity. The events on Nov. 20-21 took planning, work, and cooperation, and our success would not have been possible without your contribution.

The positive impact on students was evident from comments and class discussions, and we plan to build on this beginning with future activities.

On behalf of the students, faculty, and staff of Liberal High School, we deeply appreciate your interest and participation. Thank you for helping us make a difference in the lives of our students.

Sportsguys gather more than \$100,000 for Greensburg

photos by tina bridenstine

Friday morning, Liberal citizens gather at the Country Club for a group photo after the KSCB Sportsguys presented the Seward County United Way with a check for more than \$100,000 for Greensburg relief.

A couple of women talk after the Sportsguys ended their broadcast Friday morning at the Country Club. Some were teary eyed after seeing the check amount. The estimated total of just over \$50,000 was increased to more than \$102,000 with the surprise announcement of an anonymous \$50,000 donation.

Spectators at the KSCB Sportsguys' broadcast Friday morning listen to "Proud to be an American" at the show's end before lining up for a group picture with a "We love Greensburg" banner. The Sportsguys told the Greensburg city manager, who was on the phone for the check presentation, that they would send a copy of the broadcast and a copy of the group picture with the banner, which had been autographed by many of the donors.

Bill Hill, left, Bob Carile and Tracy Utz talk during the KSCB Sportsguys' Friday morning broadcast at the Country Club. The Sportsguys organized a donor drive for Greensburg through their morning program and collected more than \$102,000 in less than two weeks. Donations poured in from southwest Kansas, the Oklahoma and Texas panhandles, and as far away as Alberta, Canada. Carile made a large donation in order to get Hill and Utz to wear Kansas State shirts, and the Sportsguys raised \$1,000 for the fund in order to get Carile to wear a University of Kansas shirt.

On behalf of Police and Fire Charities,
I would like to personally thank you for your
generous support of the LPD vs. LFD Charity Softball Game.
Programs like Big Brothers Big Sisters and the
Liberal Area Rape Crisis and Domestic Violence Services
rely on support from the community in order to function.

With your help, we were able to exceed our fund-raising goals for
this year. I know it can sometimes be difficult to find something to
give with so many causes in need.

We thank you for your kind donation.
