

I believe that K-Love is a very important radio station, because it has made a huge impact on my life in a positive way! I normally don't support organizations outside my church, but K-Love has done so much for me, that I have actually decided to support them!!! Whenever I am frustrated or feeling down, just listening to this Christian radio station brings me back up again.

Therefore, I wish to make it known that I absolutely, 100% appose the following proposed rule changes:

- 1) Requiring Community Advisory Boards
- 2) Requiring Additional Staffing

I opposed the rule changes, because I believe that these would have a damaging affect on Christian radio stations. I believe the advisory boards threaten our freedom of speech. I also know that appointed officials on the advisory board may not be friendly towards Christianity, threatening our freedom of religion and the seperation of church and state. Finally, because most Christian radio stations are funded by their listeners, requiring additional staffing has the potential to harm the ability of our stations to run.

PLEASE DO NOT PASS THESE RULES!!! Thank you.
