

Christian Radio, as it is now, guides my days with encouraging messages, and music that lifts my spirits and helps direct my days toward our God and His Will. Each step in my life has been supported and guided through my faith and Christian stations: my first husband and father of our 5 children died 14 years ago; my new marriage 5 years later has just ended in divorce; my ex-husband had been repeatedly unfaithful and deceitful; and due to my life challenges, I have suffered a major depression and now breast cancer. I help support the station-Klove- and request that you please reconsider the new proposed regulations for my sake and for the spread of God's word and God's love. Please-God's Will is so important to me and all of us. God Bless you always.
