

I oppose Proceeding 04-233. The programming of 90.1 Air 1 is important to me and my family as well as this strong Christian community. This station is a positive influence on all who listen and especially to the teenagers, young adults all all who are searching for positive direction in life. This proceeding will cost the stations more money (which is listener supported!) to run and being regulated through 04-233 will not give this Christian radio station the freedom to express the true word. I strongly oppose this measure.
