Dear Ms. Peter:

Thank you so much for your generous \$100.00 donation to the Cancer Care Northwest Foundation this holiday season.

This generous gift will mean so much to the families we help through patient grants for utilities, housing, essentials, and transportation. Also, as you may know, we sent several of the children in our Kidz Count program to Camp Reed for summer camp. They were mainstreamed with the other children there so they could have a very "normal" summer experience. In addition, several of the families were able to go the "Walking with Dinosaurs" program at the Spokane Veteran's Memorial Arena. Without support, such as yours, we would not be able to provide these families with the opportunity to forget their problems of cancer, if only for a few hours.

We cannot thank you enough for your caring and community spirit. We appreciate your consideration of our less fortunate community members.

It's Christmas!

Let's rejoice and be glad. Our Saviour has come!! We shout the praiseworthy deeds of the Lord, and His Might, and the wonderful works that He has performed.

We possess this precious treasure...the Divine Light of the Gospel in frail human vessels, that the grandeur and exceeding greatness of the power may be shown to be of God and not from ourselves...our power and ability and sufficiency are from Him. Thanks be to God Who in Christ always leads us in victory. 2 Cor. 2&3

Thank you for joining Him in meeting our needs, by praying, and coming to our rescue in so many ways. We are eternally and heartily grateful. With so much love,
Greg, Kari, Anna, Ilse, and Inga

Dear Teddie,

On behalf of the Juvenile Diabetes Research Foundation (JDRF) I would like to thank you for your support of the 2007 Walk to Cure Diabetes held on September 29th. Walk Day was a wonderful experience for all involved and the \$500 sponsorship from KXLY-TV helped to make this possible.

Your sponsorship not only provides the benefits of supporting a large community event, but more importantly, it helps us to continue our mission to find a cure for diabetes and its complications. Diabetes research has made immeasurable differences in the lives of those with this disease, but our ultimate goal of curing diabetes still eludes us. Our efforts to raise money to support this research must continue.

The results speak to our success. Over 1000+ participants attended Walk Day and raised an incredible **\$158,000 to date!** Our corporate sponsors play an instrumental part in helping us to achieve this success and to this we are extremely grateful.

We look forward to your involvement in next year's Walk to Cure Diabetes scheduled for September 2008!

Sincerely,

Dear Phaedra,

On behalf of Junior Achievement of the Inland Northwest volunteers, staff and most importantly the 10,030 students JA serves in our area, thank you for your support and in-kind contribution of the basket with t-shirts, coffee, stickers, pens and CDs for our Bowl-A-Thon, allowing us to further the mission of Junior Achievement. Our bowling event was a great success due to contributions like yours.

Beyond your generous contribution, your commitment is an example for others to become involved in JA's efforts to ensure that all children gain a fundamental knowledge of our free enterprise system. Your involvement has helped Junior Achievement of the Inland Northwest grow from 9,000 students served in 2005-06 to more than 10,000 students served in 2006-07. This phenomenal growth would not have been possible without your help.

This commitment underscores your company's dedication to ensuring that our schoolchildren understand the importance of entrepreneurship, work readiness, and financial literacy. Preparing young people for the ever-changing, highly competitive working world is changing the lives of many young people in our area.

If you wish to speak to me at anytime please feel free to contact me at 509-624-7114 or email suzie@jaspokane.org. Junior Achievement appreciates your wonderful generosity and your support of our mission!

Greetings from YMCA Camp Reed!

We want to extend a very sincere thank you for the **In Kind Gold-\$2500** sponsorship support for YMCA Camp Reed's 5th Annual Benefit Auction which was held November 3rd at the Davenport Hotel. The evening was a great success. Thanks to amazing community support, including yours, we had a "sold out" evening where we experienced fun, fellowship, shared the vision of Camp Reed and obtained a net benefit of close to \$100,000.

Auction proceeds will allow us to keep our program fees for families reasonable, provide scholarships for deserving low income children in our community, make facility improvements as well as support program opportunities for all campers. Your support allows Camp Reed to continue to thrive and to make a difference in our world....one child at a time.

Thank you again for your generous sponsorship and for helping us to make a difference in the lives of children in our community!!

Dear Debbie Seiverding,

Thank you for donating to the 2007 Spokane Golf Classic! Your donation of two tickets to the Seattle Seahawks football game and two tickets to a WSU football game helped us to provide a top-notch golf tournament with first class hospitality to all of our guests. Without your donation, we wouldn't have been able to raise just over \$200,000 for the children in our community in need of a mentor!

With Safeway as the title sponsor of the Spokane Golf Classic, many companies stepped up to participate in the 2007 tournament. As a thank you for your participation, we have listed you as a sponsor in the Journal of Business advertisement as well as the Spokesman Review advertisement. Shortly, all sponsors will be listed on our website (www.northwestbigs.org).

OF EASTERN WASHINGTON

Steve Herling
KXLY TV
500 W. Boone
Spokane, WA 99201

Dear Steve,

Thank you for your support and assistance to the Foster Parent Association, and the community of children we serve.

Every day in our neighborhoods there are children who are forced to leave their family home and go into foster care. The reasons are varied and all of the stories are heartbreaking. *On any given day, there are 11,000 children in Washington State that are not able to live with their parents due to child abuse and neglect.*

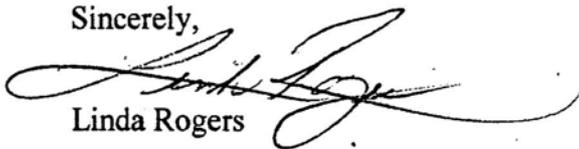

Many times these children go into foster care without any belongings. No clothes, shoes and socks etc. When a child goes into foster care they usually have to change schools. This is causing a second tragedy in their lives.

The Teen Closet's goal is to help our teens through this difficult time. The closet will provide a non threatening place for the children to shop for personal items and go away feeling positive sometimes for the first time in their lives.

Your donation of \$250.00 a month from September 2007 to September 2008 will begin the process of changing lives. Your donation will support the operations of the closet, maintenance fees, phone, and insurance.

Thank you for your support and the "immeasurable impact" it will have on our communities children in foster care..

Dear Mr. Herling:

On behalf of the Community Colleges of Spokane (CCS) trustees, administrators, faculty, foundation volunteers and especially of our students, we thank you for the pledge payment of \$2,500 to be applied to the SCC Center for the Humanities Endowment fund. All proceeds will be used to match a National Endowment for the Humanities grant.

- ☞ Create and sustain a Center for the Humanities housed in the Learning Resource Center on the SCC Campus;
- ☞ Augment and build the learning resource collections and databases to support excellence in teaching at SCC.

Through your donation to CCS, we will be able to provide students with current resources they need in order to make changes in their lives through education. With your help, Community Colleges of Spokane will continue to improve educational opportunities for Spokane area students.

Dear Melissa,

I am writing in regards to one of your employees, Mr. Mark Peterson. He hosted an event we held at Mission Park on Saturday September 15th. Without Mark Peterson as our Master of Ceremonies this event would not have drawn the attention that it did. We are very thankful that he agreed to do this on his own time.

There is a general feeling in our community that Mark Peterson is the "guy next door." His encouraging, affirmative demeanor makes him a pleasure to be around, and everyone who attended our event wanted to speak with him.

Thank you for supporting his time and efforts, his contribution helps to raise awareness in our county about the need to reduce the stigma attached to addiction so that people who are seeking help can find it.

Dear Mr. Nelson

Last week we held our 27th Annual CANS Film Festival in partnership with area Regal Cinemas to help raise food to feed hungry families in our area. This year was another successful year and was boosted by the presence of the public service announcements that ran on the family of KXLY radio stations.

Your stations assistance in running these announcements helped to inform our residents of both an event that was economical for a night of entertainment, but more importantly gave them an opportunity to give to those in need in their neighborhoods.

It was commented many times to me that people learned of the event in large part to the radio announcement that were played on your stations. Additionally, the live remotes that visited both Spokane theatres and the Coeur d'Alene location were a tremendous bonus for bringing attention to the event.

We appreciate KXLY's involvement in the CANS Film Festival and the generosity in running these announcements. From all those whom we serve in the community – Thank you!

Best regards,

Great job this morning and thanks for making me feel at ease in front of the camera. I appreciate KXLY's efforts to recognize Windermere's & SNAP's contributions to the Spokane community. If I can ever be of service to you let me know. I'm off to Seattle today to catch a Hawks game. Have a great weekend!

Dear La Verna,

This is just a quick note, but it comes from my heart to yours as we prepare to deliver over 360 meals to at risk seniors in their homes.

Thank you for participating in our "Have Your Cake and Seniors Eat Too" auction event. Your generosity will make an immediate difference in the lives of seniors in Spokane. Your generous donation of a WSU helmet will be a welcome addition to our items.

Your generosity is going to help us begin a scholarship program for seniors unable to afford weekend meals. Good nutrition, as you know, is so vital in fighting off the diseases and infections that are so prevalent in the elderly.

You can continue to support our efforts by participating in the following upcoming events:

"Treats for our Sweet Seniors!" boxed lunch. Lunches will be delivered on October 31, 2007.

Or by being an underwriter of our events. For our boxed lunches your company's name, logo or other distinguishing information will be prominently displayed on each lunch delivered. Feel free to contact me for more information.

Thank you again for your kindness,
