Dear Ms. Branning,

On behalf of the Washington State University Intercollegiate College of Nursing, we would like to thank you for you for facilitating a gift from KXLY Broadcast in support of our annual Faculty Staff Drive campaign efforts. The Mariner tickets you provided were very much appreciated. As you recall, the purpose of our request was to provide some large incentive prizes for those who participated in our campaign effort. As each employee made a gift, they become eligible to enter their name in a free drawing at the end of our campaign. It proved to be a great incentive.

KXLY received name recognition throughout our campaign. Our participation this year was 66%, a record setting year! Our two winners are really looking forward to seeing the Mariner's play and were very excited to have won tickets!

Again, thank you for your support.

GO COUGS!

Sincerely,

Karen Malone

Gift: \$1,000.00, 08/15/2005, sponsorship #2 of 5, credited to Friends Bear Art Fundraiser

Dear Friends:

You are special to the families and children of the Ronald McDonald House Charities of Spokane. Your sponsorship gift of \$1,000.00 allows us to continue the vital mission of "the House That Love Built."

Your support gives families with critically ill or injured children a place to stay so they can be together when the need is the greatest. Imagine having a premature baby that came into the world weighing less than 2 pounds. We've opened the doors of our "home away from home" to three such mothers so far this year. They count their victories in grams and ounces as they pray their baby will grow big enough and strong enough to someday go home with them.

With their faith, courage and the emotional support of other families staying at the House these mothers are an inspiration to us all.

At our House we also see families facing their child's cancer, heart disease, head injuries, birth defects or other major medical trauma. We at the Ronald McDonald House have the honor of accompanying these families through their healing process. An average stay at the House is 12 days. Some families stay as long as six months and others as little as three to four days

Unfortunately, our House runs at 100% occupancy with waiting lists of up to 12 families. Your gift also helps us serve more families through new programs like our Ronald McDonald Family Rooms at Sacred Heart Children's Hospital.

Again, thanks for your support. Please keep our families and staff in your thoughts and prayers.

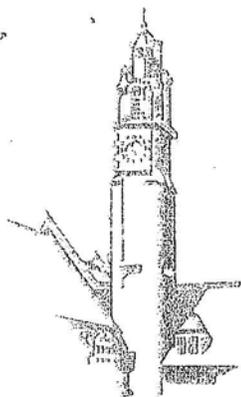

Sincerely,

Michael L. Forness

Dear Teddy,

A huge heartfelt thanks to everyone at KXLY Broadcast Group for donating all of your time and efforts for the Connie Prekeges 5K Walk Memorial Walk for Kids 'n Cancer.

It was a true pleasure working with you and your team. You should be very proud of such a great organization. Not only was the coverage great, but everyone I worked with was simply fantastic! We had a lot of fun and we're still getting comments about the TV and radio interviews. You all certainly do it up right!

The walk was a huge success, which means more kids get to enjoy themselves at camp and forget their worries.

None of this could have happened without your donation, time and support.

I look forward to many great years of fundraising for the Connie Prekeges Foundation and keeping KXLY Media Group involved in such a fantastic cause.

Once again, a huge thanks from the foundation and the entire Prekeges family.

Dear Laura:

On behalf of the Board of Directors of the Spokane Association of REALTORS®, I want to express our sincere and heartfelt appreciation for KXLY's involvement in this year's Annual Food Drive. This event was a wonderful success with a total of 22,253 pounds of food donated as well as Albertsons donating 36,013 pounds of food for a grand total of 58,266 pounds of food collected to be donated to the hungry in our community.

As you know, the Second Harvest Food Bank is able to distribute \$10 worth of food for every dollar donated and we collected \$5,931.63 in cash donations from the stores. The Real Estate office donations totaled \$5,181.25. This brings us to a grand total of \$11,112.88 cash collected. Way to go Spokane! The Food Bank does need the dollars collected as well as the actual food items collected. One is just as important as the other to them. Thank you for helping to fight hunger in our Community. Your Time, Energy and Giving Spirit is Sincerely Appreciated!

Once again, KXLY, thank you for all your hard work in advertising our food drive and for helping us help those in need in our community!

Sincerely,

To all of the KXLY Staff:

Thank you from Technet!

We would like to extend a sincere and grateful thank you to KXLY for your media sponsorship of the 2005 *Catalyst Awards*. Without the generous donations of sponsors like yourself our 9<sup>th</sup> Annual awards ceremony could not have been accomplished.

This event, and its success, was the result of hours of hard work from our members, volunteers, and interns. Likewise it could not have been complete without the support from our sponsors, donors, and community members.

Because of you, we were able to put on another successful *Catalyst Awards*. With each year we like to raise the bar for the next awards and with the many donations and sponsors we received this year we were able to do that. Thank you for your continued support of Technet and the innovation and technology community.

Sincerely,

Mr. Steve Herling  
General Manager  
KXLY

Dear Steve,

Thank you for your gifts to Gonzaga's Bulldog Club and the new McCarthy Athletic Center. These gifts renew your membership in the President's Council, reserved for those who give \$1,000 or more annually. Your support helps considerably in our efforts to maintain our state-of-the-art facility and provide an electrifying atmosphere for basketball games and other events.

The excitement builds as the Bulldogs prepare to host 12 home games and the West Coast Conference Tournament this year. The men's team, who went 13-0 in their first season in the new McCarthy Athletic Center, faces another grueling non-conference schedule against last year's NCAA Tournament participants University of Washington, Oklahoma State University, and Stanford University. The Bulldogs will also play in the Maui Invitational with the following 2005 NCAA Tournament teams among the field: University of Arizona, University of Kansas, University of Connecticut, and Michigan State University.

The women's team is still reaping the rewards of their most successful season to date. The Bulldogs jumped up 36 spots in average home attendance as the number of fans per game move Gonzaga to rank 64<sup>th</sup> among NCAA Division I women's basketball programs.

The Gonzaga community eagerly awaits another exciting season of Gonzaga Basketball. Thank you again for your loyalty, dedication, and support!

Very sincerely,

Robert J. Spitzer, S.J.

Gift: \$1,000.00, 10/03/2005, sponsorship #4 of 5, credited to Friends Bear Art Fundraiser

Dear Steve & Friends:

You are special to the families and children of the Ronald McDonald House Charities of Spokane. Your gift of \$1,000.00 allows us to continue the vital mission of "the House That Love Built."

Your support gives families with critically ill or injured children a place to stay so they can be together when the need is the greatest. Imagine having a premature baby that came into the world weighing less than 2 pounds. We've opened the doors of our "home away from home" to three such mothers so far this year. They count their victories in grams and ounces as they pray their baby will grow big enough and strong enough to someday go home with them.

With their faith, courage and the emotional support of other families staying at the House these mothers are an inspiration to us all.

At our House we also see families facing their child's cancer, heart disease, head injuries, birth defects or other major medical trauma. We at the Ronald McDonald House have the honor of accompanying these families through their healing process. An average stay at the House is 12 days. Some families stay as long as six months and others as little as three to four days

Unfortunately, our House runs at 100% occupancy with waiting lists of up to 12 families. Your gift also helps us serve more families through new programs like our Ronald McDonald Family Rooms at Sacred Heart Children's Hospital.

Again, thanks for your support. Please keep our families and staff in your thoughts and prayers.

Sincerely,

Michael L Forness  
Executive Director

# Thank You!

Spokane, WA 99201

Dear Teddy,

A huge heartfelt thanks to everyone at KXLY Broadcast Group for donating all of your time and efforts for the Connie Prekeges 5K Walk Memorial Walk for Kids 'n Cancer.

It was a true pleasure working with you and your team. You should be very proud of such a great organization. Not only was the coverage great, but everyone I worked with was simply fantastic! We had a lot of fun and we're still getting comments about the TV and radio interviews. You all certainly do it up right!

The walk was a huge success, which means more kids get to enjoy themselves at camp and forget their worries.

None of this could have happened without your donation, time and support.

I look forward to many great years of fundraising for the Connie Prekeges Foundation and keeping KXLY Media Group involved in such a fantastic cause.

Once again, a huge thanks from the foundation and the entire Prekeges family.

Sincerely,

Maria Prekeges – Chairman  
The Connie Prekeges Foundation

*Again - a HUGE thanks!  
Hope to see you soon. :)*

Dear Rondielle,

Thank you very much for the kind invitation to host your school auction. What a great idea! I would be honored to host, however, my schedule is a little tricky to work around. What time of day were you planning on having the auction? I ask, because I am on the air Monday-Friday until 7:00 p.m., and I have to be back to get ready for the late news by 9:30. So, that gives you a fairly narrow window to work with. If it is going to be a Saturday or Sunday event, I could accommodate just about any schedule. Let me know if this will work for you! Have a great week!!!

Dear Kris-

Hello, my name is Rondielle Frye and I am the PTA President of University Elementary in the Spokane Valley. I have seen you on TV and I am so impressed by what you do to give to our community and children, your involvement is AWESOME!!

We are planning an auction in March of 2006 and I wanted to email you to see if possibly you would consider being our host for this event. The purpose of this event will raise additional funds to provide school supplies, field trips and other events that take place at our school. Budget cuts in the School Districts have made it difficult for public schools to offer school supplies for the teachers and students, send students on field trips and assemblies for enrichment.

It would be an honor to have you at our event!! I look forward to hearing from you soon. Thank you for your time and I am hoping for SNOW!!!
