Do you realize that the digital format is inferior to analog in that it is less dependable and more prone to "failure"?

Dear Communications Commission,

Local radio has all but disappeared from the dial in recent decades. LPFM stations bring community voices back to the airwaves. I strongly urge you to prioritize local programming on LPFM stations over satellite-fed translators across the country. I encourage the Commission to establish rules that fairly promote local ownership and programming over repeated signals from faraway stations. Thank you.

Sincerely,

Mr. Les Simon
