**Re: MB Docket No. 07-57
MM Docket No. 04-233**

Dear Ms. Dortch:

On April 29, 2008, Tom Kigin of American Public Media and Vin Weber of Clark & Weinstock met with Chairman Kevin Martin and Elizabeth Andrion, Deputy Chief of the Office of Strategic Planning and Policy, to discuss American Public Media's previously filed comments regarding the XM-Sirius license transfer review proceeding (MB Docket No. 07-57).

American Public Media restated arguments consistent with its comment filed on April 24, 2008, and urged the Commission to impose a 20 percent setaside condition for non-commercial educational (NCE) use upon the license transfer, in order to satisfy the public interest.

American Public Media also alerted Chairman Martin to the comments filed by its affiliated company, Minnesota Public Radio, on April 28, 2008 in the localism proceeding (MM Docket No. 04-233).

American Public Media briefly discussed the concerns raised in that filing, and urged that consideration be made for NCE stations and networks of stations providing wide area public radio service to lesser-populated areas.

Sincerely,

Tom Kigin /s/

cc. Chairman Kevin Martin
Elizabeth Andrion, Deputy Chief of the Office of Strategic Planning and Policy
